Guava Mix

Guava as a fruit is seriously underrated but as a vape juice, we have helped it find its way straight to the lime light. Guava mix is a well balanced juice with an exceptional flavour, the perfect blend of fruit and ice.

Orange & Strawberry

A very distinctive flavour that blends a perfect combination of fresh juicy oranges mixed with a light layer of tasty strawberries, all topped off with a nice cold kick on the exhale.

Grape trio

A mixture of red, black and white grapes. This sweet and juicy trio is like no other. With a cooling effect on the inhale, and a mouth watering grape on the exhale.
